

About this site

Projects Smash has been created to give you the chance to have your say on a range of consumer issues. We welcome your contributions in the form of text, graphics, video, photographs, surveys or other materials on the posted material. Because we aim to promote an environment which welcomes open, interactive dialogue, we ask you to observe a few basic rules:

- Be polite. You are welcome to disagree with points made by others, but please do so with respect and civility. Disrespectful, profane, vulgar or insulting language will not be tolerated.
- Remember that we want your views to be heard by the relevant people – by posting anything on the site, you are agreeing for these materials to be passed on by Millward Brown to third parties.
